Your Majesties and Friends,

To begin our final letter we would like all to know that last January, our Court was registered with the State of California, and became a registered non-profit organization, to donate monies collected to charities, as it should be. We have suffered tremendously because of it. There were a few Past Heads of State who chose to do nothing but make our reign miserable because they could not tolerate the fact, that for the first time in nine years, things are being done right. Because of all this turmoil, the Courts to follow will be much stronger and more united than ever before.

It hasn't totally been a bad year. We have many good memories of our reign, and have made friends with so many wonderful people.

Our sincerest thanks to Emperor I El dana and Empress II Tiffany of Tulare.

A special thanks to King Father IX of all California, Ken Peacock, Emperor Dennis of San Jose, and Empress Billie of Sacramento. There are so many others we would like to thank, but there just isn't enough room.

However, we would like to thank some of our Ambassadors and Ambassadors of other communities who have been great about informing us of upcoming events. Garry from Modesto, Richard from Fresno, Dee Dee and Sue from San Jose, and Tara from Southern California. Thank you all.

A special thank you is in order for our Prince, Royal Heir to the Throne, Stephen. We didn't always agree, but you stood with us before our reign as well as during. But looks like we made it.

In Love & Unity,

Dee

It is with sadness and happiness that my year is up. It has been a very hard year for myself and my Emperors. We have had a certain amount of discord this year, but now we are working together a little better. We have had our ups and downs, but we know that together, things can be worked out.

To all of the people I have met: It has been alot of fun. Thank you for supporting us through the year. We hope that you will have a really good time, and that you all come back again.

To my Emperors; I would like to say "Thank You" for working with me. We have had some really good times together, and some bad, but we still are together.

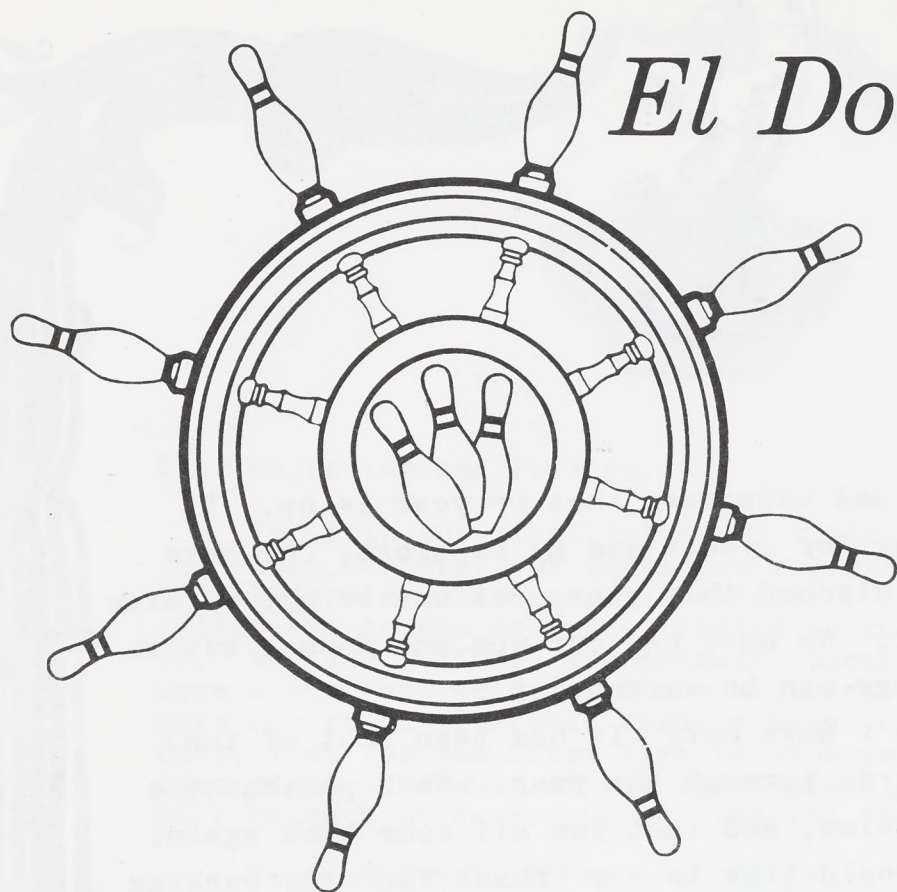

To the people of Stockton: Thanks for putting up with me this year. I am sorry I could not do more, but I did try.

To Emperor VIII Robert Edgar: "Thanks for all your help this year." Tony and John-John of Oakland: "Thanks for your love and support through this whole year.

To the candidates Ed and Chuck, Steve, Terra John and Becci: "Good luck and have a good year."

And lastly to Brenda and Allen: "Thanks for all the times you were there when I needed someone. Thank you for all my outfits, and your love."

Love always
Miska
